Think Partner Services

A confidential service
offered by caring and
understanding professionals

NEW MEXICO
DEPARTMENT OF
HEALTH

Partner Services (PS)

PARTNER SERVICES (PS)

- is confidential and voluntary,
- helps individuals with HIV or an STD talk to their sex or needle-sharing partner(s).

PARTNER SERVICES HELPS YOUR PARTNER(S) TO:

- get an HIV or STD test
- receive medical care
- receive HIV and STD services, prevention education, and referrals

CONFIDENTIAL SERVICE

A PS Counselor WILL...

- make sure they are talking to the correct partner(s)
- talk to your partner(s) in a private place
- contact you if they need more

A PS Counselor WILL NOT...

- give out your name
- give out any identifying information
- give information about when or how you contracted HIV or a STD.

3 WAYS TO TALK TO YOUR PARTNERS

A trained PS counselor talks to your partners for you

Benefits:

- maintain your privacy
- less work for you to find and notify multiple partners
- avoid potentially difficult or unsafe situations
- partners receive accurate health information about HIV and STDs

You and a PS counselor talk to your partners together

Benefits:

- feel secure and supported
- counselor can answer health related questions
- counselor can offer testing and referrals to medical services

You talk to your partners on your own

Consider:

- What will you say?
- Where and when will you talk to them?
- How might they react?
- Will they keep your HIV or STD status private?
